- 6:00 pm - 8:00 pm

If you are interested in volunteering, please contact Anne Wiley at 705-445-0490 directly/ Thank You !

Saint John Paul 11, Pope- Oct 22/2024

Saint John Paul II is perhaps one of the most well-known pontiffs in recent history, and is most remembered for his charismatic nature, his love of youth and his world travels, along with his role in the fall of communism in Europe during his 27-year papacy.

Karol Józef Wojtyła, known as John Paul II since his October 1978 election to the papacy, was born in the Polish town of Wadowice, a small city 50 kilometers from Krakow, on May 18, 1920. He was the youngest of three children born to Karol Wojtyła and Emilia Kaczorowska.

The Cardinals elected him Pope at the Conclave of 16 October 1978, and he took the name of John Paul II. On 22 October, the Lord's Day, he solemnly inaugurated his Petrine ministry as the 263rd successor to the Apostle. His pontificate, one of the longest in the history of the Church, lasted nearly 27 years.

In the light of Christ risen from the dead, on 2 April a.D. 2005, at 9.37 p.m., while Saturday was drawing to a close and the Lord's Day was already beginning, the Octave of Easter and Divine Mercy Sunday, the Church's beloved Pastor, John Paul II, departed this world for the Father.

From that evening until April 8, date of the funeral of the late Pontiff, more than three million pilgrims came to Rome to pay homage to the mortal remains of the Pope. Some of them queued up to 24 hours to enter St. Peter's Basilica.
